## Consent

# UK Visas & Immigration

If your application is successful, there will be conditions on your visa or leave to remain. This will include, for example, whether you are able to work in the UK.

If you stay in the UK without permission:

- You can be detained
- You can be prosecuted, fined and imprisoned
- You can be removed and banned from returning to the UK
- You will not be allowed to work
- You will not be able to rent a home
- You will not be able to claim any benefits and can be prosecuted if you try to
- You can be charged by the NHS for medical treatment
- You can be denied access to a bank account
- DVLA can prevent you from driving by taking away your driving licence

You cannot get free medical treatment from the NHS, unless you are exempt from charges. If you do not pay for any billed treatment this may affect future visa applications.

You or your family members are not entitled to receive state-funded education whilst in the UK (except for children of academics visiting the UK for 12 months).

You should leave the UK when your visa ends. If not, you may be removed and banned from the UK.
